

Referral Rewards Program

It's Simple

Refer a New Customer*: You Receive a \$25.00 Reward Certificate

No Limitation on Referrals!!

How it Works:

- Either refer a friend, relative (non-immediate family member), or even your neighbor. Or refer them all!
- Write your name on the back of our business card and give them out to everyone you know.
- If you are referring us online then have that person mention your name in an email.
- Anytime you refer someone: You receive a \$25.00 Reward Certificate towards your optical account for each new customer you referred. Either use your Referral Rewards Certificates all at once for a complete new purchase, or spread them out throughout the years; no expiration date on rewards.

can not be combined with any other coupon or promotion

in order for both parties to receive their rewards, the individual who was referred must be a new customer

certificates can only be redeemed when complete eyewear with anti-reflective coating is purchased

any referrals prior to the date: December 15th, 2013 will not count as part of this Referral Rewards Program

can not refer immediate family member
